

FoodSource Agile User Stories

1. Login Interface
 - 1.1. Signup
 - 1.1.1. As a user, I want to sign up with my email and select whether I am a buyer or a seller, so that the app can provide a personalized experience based on my role.
 - 1.2. Login
 - 1.2.1. As a user, I need to log in to my account using my email to access my personalized profile and settings.
2. Buyer Interface
 - 2.1. Profile
 - 2.1.1. As a buyer, I want to easily create and edit my profile so I can personalize my experience and manage my preferences.
 - 2.2. Discovery
 - 2.2.1. As a buyer, I want to search for products by name, category, or keyword so I can quickly find what I'm looking for.
 - 2.2.2. As a buyer, I want to use advanced filters like organic, non-GMO, farm location, and delivery methods to refine my search results according to my preferences.
 - 2.3. Product Evaluation
 - 2.3.1. As a buyer, I want to view detailed product pages with descriptions, photos, and prices so I can make informed decisions.
 - 2.3.2. As a buyer, I want to read reviews and ratings on sellers to assess their reliability and product quality.
 - 2.4. Ordering
 - 2.4.1. As a buyer, I want to add items to a shopping cart and view the cart before checkout to review my potential purchases.
 - 2.4.2. As a buyer, during the checkout process, I want to select from the available delivery methods provided by the seller, so I can choose the most convenient option for receiving my purchase.
 - 2.4.3. As a buyer, I want to securely check out and pay within the app to ensure a smooth and safe transaction.
 - 2.5. Communication
 - 2.5.1. As a buyer, I want to message sellers directly for inquiries or special requests to ensure my needs are met.
 - 2.5.2. As a buyer, I want to receive notifications about my order status and shipping updates to stay informed.
 - 2.6. Feedback
 - 2.6.1. As a buyer, I want to leave feedback for sellers after a transaction to share my experience with other users.

- 3. Seller Interface
 - 3.1. Profile
 - 3.1.1. As a seller, I want to set up and customize my profile with information about myself to attract buyers interested in my practices and products.
 - 3.1.2. As a seller, I want to set my delivery options to include pickups, local drop-offs, or shipping, ensuring at least one method is available, so that buyers understand how they can receive my products.
 - 3.1.3. As a seller, I need to specify my location and the range I am willing to deliver to, so buyers can filter by sellers within their desired area.
 - 3.2. Listings
 - 3.2.1. As a seller, I need to easily add, update, or remove product listings including details like price, quantity, and descriptions to keep my inventory current.
 - 3.3. Sales Management
 - 3.3.1. As a seller, I want to track my sales history and pending orders to manage my business effectively.
 - 3.3.2. As a seller, I need to set availability for my products, including pre-order options for seasonal items, to efficiently plan my production.
 - 3.4. Communication
 - 3.4.1. As a seller, I want to communicate with buyers to answer questions, provide updates, or clarify orders to ensure customer satisfaction.
 - 3.4.2. As a seller, I need to receive notifications about new orders, messages from buyers, or alerts for reviews to stay engaged with my customers.
 - 3.5. Reviews
 - 3.5.1. As a seller, I want to view and respond to buyer feedback to build a positive reputation and address any concerns.
 - 3.6. Finance
 - 3.6.1. As a seller, I want to manage my payment settings and view transaction histories to keep track of my finances.
 - 3.6.2. As a seller, I need a straightforward process for withdrawing my earnings from the app to ensure I have access to my funds.
